Answers for “The Hope That Is In You”-Charlie Liebert 2015-06-23 Charlie Liebert was converted to Christ at age thirty-five from hardcore Atheism. Because he understands how Atheists think, he effectively spreads the gospel through dialogue with unbelievers. Seeing many fellow Christians paralyzed by fear of not being able to answer their questions, he developed here direct, simple, Bible-based answers to those hard questions. In his first book, Always Be Ready to Give an Answer! he proposed a strategy to get to the gospel before answering those hard questions. Now its time to answer them! The four most common questions are: 1) Where did Cain get his wife? 2) What happens to a native in the jungle who never heard the gospel? Does he go to hell? 3) Why do bad things happen to good people? and 4) Materialists statements like: I only believe in what I can see. Faith is for fools! Everything is relative, there are no absolutes! These four questions are each answered in depth to give you firm confidence in your personal evangelism. Over one hundred more questions are answered simply and directly. The conflict between the Bibles Creation account and the Evolution taught in our schools is analyzed to increase your confidence. Your faith will be bolstered by these answers and the analysis of origins. You will be empowered in your witnessing and gain great confidence in your faith. Yes, there are answers to those hard questions! Become a fearless evangelist with real answers for the hope that is in you!

Ready to Answer - Rev. Marilyn Bowens 2011-08-10 It “is an abomination!” “They want to ‘pick and choose’ what parts of the Bible to obey!” “God created Adam and Eve, not Adam and Steve!” Most same-gender-loving Christians from fundamentalist backgrounds have heard these phrases, over and over again, from their “Accusers” - homophobic Christians who refuse to acknowledge LGBT Christians as part of the Body of Christ. In Ready to Answer, Rev. Marilyn Bowens responds to their favorite slogans; and shares additional insights from her journey from fundamentalism to peaceful, authentic, and intimate relationship with God. Ready to Answer is food for the souls of LGBT Christians who are struggling to heal from the abusive theology, policies, and practices of Accuser churches. * * * “It is critically important that all LGBT Christians have an answer for those who would dare suggest that we are not embraced by the extravagant grace of our loving God. In the much needed and long awaited book, Ready to Answer, Rev. Bowens will enable us, our families and allies to conquer the fears within and the foes without.” Rev. Dr. Yvette Flunder Founder and Presiding Bishop, The Fellowship of Affirming Ministries “This is a book that can save lives, sanity; can help people really entrapped. It is very disarming.” Rev. Ready Or Not, Here He Comes - Edward Reid 1997 Everybody recognizes that something big is about to happen. But what is it, and how does one prepare for it? As the grand moment of Christ’s return draws near, many are stirred by a satanic urgency. At its most extreme the false preparation can lead to self-destruction, as with the Heaven’s Gate commune. At its most orthodox the false preparation leads many good Christians to depend upon their own obedience. Ready or Not is not author G. Edward Reid’s summation of the imperatives presented in his best-selling books Even at the Door and Sunday’s Coming! The proof is overwhelming that the day of the Lord is awaited by a door or Sunday’s coming! have you been convicted that the end of all things is at hand. Ready or Not is G. Theology in Language, Rhetoric, and Beyond - Jack R. Lundholm 2014-08-18 This book seeks to place before a broad audience of students and general readers theological essays on both the Old and New Testaments. Theology is seen to derive from a number of sources: the biblical language, biblical rhetoric and composition, academic disciplines other than philosophy, and above all a careful exegesis of the biblical text. The essay on Psalm 23 makes use of anthropology and human-development theory; the essay on Deuteronomy incorporates Wisdom themes; the essay called “Jeremiah and the Created Order” looks at ideas not only about God and creation but also about the seldom-considered idea of God and a return to chaos; the essay on the “Confessions of Jeremiah” examines, not words this extraordinary prophet was given by God to preach, but what he himself felt and experienced in the office to which he was called. Other essays argue that theology is rooted in biblical words— in and of themselves, and in context—and in rhetoric, where the latter must also include composition. One essay on “Biblical and Theological Themes” includes a translation into the African language of Lingala.

The God Solution - Ian Stott 2013-07-23 Ian Stott was born in Moseley, Birmingham, in 1946 and became a travelling evangelist in 1986, with his Gospel hand After the Fall, performing in prisons, remand homes, pubs, clubs, church halls, carnivals, fetes, festivals, handicapped homes and colleges all around the United Kingdom. After writing Touching Glory as the title song for the 1994 Cross Rhythms Festival in Devon, Ian and the band received a record distribution deal with Kingsway Music. He wrote the songs for two more albums, and the band continued its evangelistic work for eleven years. Ian has studied Bible Prophecy for thirty years and is now a full-time musician, working as a tribute act in the UK and worldwide. He has had songs and poems published during this period. After the Fall, the band, played their last show in 1997 on stage at Dudley Castle, Birmingham, live on Sky TV. Ian Stott is a layman, representing every man and brings a refreshing perspective to apologetics, with a dash of humor, a desire to reach people who know nothing about the Bible or what it contains. This book is a direct reply to militant atheism and The God Delusion by Richard Dawkins. Atheism is growing and making much noise and needs a Christian answer. The author brings everything together in one place with amazing clarity and startling revelation the evidence for God, the weakness of the argument for atheism and evolution, secret societies, Bible prophecy and the deception, misinformation and corruption of the shadow governments and leading players of this world. The world needs information that is intelligible to the man in the street, who only ever hears one side of the argument. The God Solution contains that information.

Proceedings of Aerospace Testing Seminar - 1976
Open—David Gregory 2016 You’ve accepted the invitation. Are you ready to take the next step? From the New York Times bestselling author of Dinner with a Perfect Stranger, Open will forever change the way you think about faith. It wasn’t the end of the world. It was just the end of Emma Jameson’s world. Fresh off the heels of a devastating breakup and floundering in her career, Emma is struggling to come to grips with why God allows so much pain in our lives, why He seems so absent when she needs Him most, and why the Gospel accounts—our supposed guide for how to lead a contented Christian life—feel so completely irrelevant. Then one day, a mysterious envelope arrives in Emma’s mailbox with the word Open written on the outside. Inside the envelope is a card bearing the following message: “For a real adventure with Jesus, go through the nearest open door.” Skeptical, but having absolutely nothing to lose, Emma steps through the pantry door, only to find herself instantly transported back to the first century, where she is taken on a personal tour of various Gospel accounts by none other than Jesus himself—an experience that radically challenges Emma’s perception of the Gospels and what it really means to be a Christian.

I’ve also written and published five Christian books and two study guides. 1) Always Be Ready to Give an Answer! A Former Atheist’s Personal Christian Evangelism Plan. Study Guides: 1a) 12 Lesson Study Guide for Always Be Ready to Give an Answer! Group study, mentoring or personal preparation. 1b) Charlie’s Short Course in Evangelism. Two-hour course based on Always Be Ready to Give an Answer! 2) ANSWERS For “The Hope That Is in You. Direct, Simple Answers to the World’s “Hard” Questions”) Without 3 Miracles Darwin’s Dead! Science Proves Atheistic Evolution is IMPOSSIBLE 3) My Children’s Christian Education, What Should I Do? A Christian Educators Analysis and Advice. 4) God’s Created Creatures Wreck Evolution. A Teaching Guide for Biblical Creation. This book combines these five books and more than 100 weekly blogs that apply to that book’s content. The blogs are arranged with the book and are a supplement to the books content. Since each blog can be read in minutes this compendium of blogs along with the book can be used by Christians as a teaching tool and reference particularly for teens and young adults. Because of attention span issues, particularly among the young, blogs are a very effective study tool.

When God Calls—John A. Coaxum 2016-01-06 The Old Testament prophet Jeremiah was called by God in his young life to a daunting and pivotal task. Nevertheless, God prepared him for ministry in the first nineteen verses of his book. In this forty-day journey, author John A. Coaxum dissects Jeremiah chapter one verse by verse to reveal what the calling of God really is and is not. Many dash into ministry hastily and end up disillusioned and disappointed because of expectations God never promised and sacrifices they were never ready to make. This book is a practical guide for anyone who senses God calling them to serve and what they should know before they answer.
